## Vario Contour 003

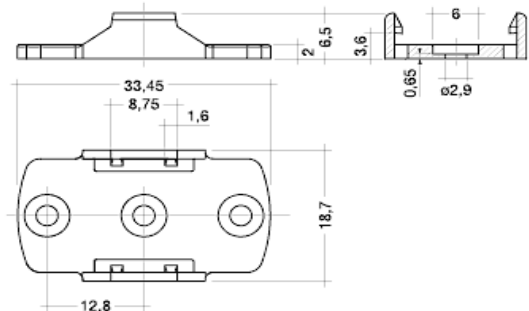

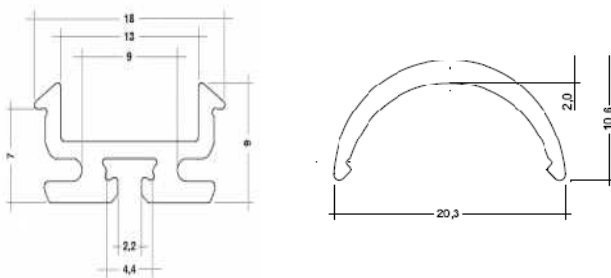

### Description:

- ✦ **Aluminum profile**
- ✦ **Optional: IP67 encapsulation (no cover version)**
- ✦ **Aluminum profile, anodized**
- ✦ High stability
- ✦ Slim, compact and appealing design
- ✦ Flexible mounting options
- ✦ Three covers available: Opaque, Clear and Diffuse
- ✦ Length: 2m
- ✦ Plug & Play

### Technical features and general descriptions:

- Fixation: monting bracket Vario Clip

Profile	Typ	Color	Order Number
Vario Contour	003	Aluminum	10000000
Vario Cover	003	Transparent	12000002
Vario Cover	003	Diffuse	12000003
Vario Cover	003	Opaque	12000004
Vario Clip	003	White	13000000
Vario Endcap	003	Aluminum	11000001

### Notes on the mechanical connection and operating parameters:

The profile is optimized to be used with VarioLED Flex strips. Only this solution or a profile with similar properties can provide

optimal functionality during operation. So the maximum lifetime of 50.000h (L70) can be reached.
